How to Wear Cloth Face Coverings*

Cloth face coverings should—

- Fit snugly but comfortably against the side of the face
- Secure with ties or ear loops
- Include multiple layers of fabric
- Allow for unrestricted
- Be able to be laundered and machine dried without damage or change to shape

CDC on Homemade Cloth Face Coverings

CDC recommends wearing cloth face coverings in public settings where other social distancing measures are difficult to maintain, especially in areas of significant community-based transmission. CDC also advises the use of simple cloth face coverings to slow the spread of the virus and help people who may have the virus and do not know it from transmitting it to others.

Should cloth face coverings be washed or otherwise cleaned regularly?

Yes. They should be routinely washed depending on the frequency of use.

How does one safely sterilize/clean a cloth face covering?

A washing machine should suffice in properly washing a cloth face covering.

How does one safely remove a used cloth face covering?

Individuals should be careful not to touch their eyes, nose, and mouth when removing their cloth face covering and wash hands immediately after removing.

Social Distancing Floor Signs

Mark your campus and buildings to encourage social distancing with NMC's wide selection of adhesive backed, peel-and-stick floor signs.

Choose a material to suit your needs:

TexWalk® Floor Signs

0-6 MONTHS

- Ideal for basic office and regular traffic
- Removable, leaves no residue
- May be used on low profile carpets
- Print protected with Sign Muscle® coating

Temp-Step™ Non-Slip Floor Signs

6-9 MONTHS

- Ideal for basic office and steady traffic
- Removable, leaves no residue
- Non-slip surface

Walk-On™ Anti-Skid Floor Signs

9+ MONTHS

- Ideal for heavy traffic and industrial applications
- Longer term indoor/short term outdoor use
- Aggressive adhesive
- Anti-skid surface

Starter Kits

Key Products kitted to address your immediate re-opening needs.

Kits provide the essentials you need to begin properly identifying your campus as the doors open to students, staff, contractors, vendors and others. Choose from three kits geared towards small, medium, or large facilities.

Each kit contains applicable products in a variety of quantities to communicate important health and safety measures from lobby to loading dock.

- Be ready to re-open your campus
- Provide clear, professional messaging
- Product assortments based on best sellers
